

# IRSHADUDDIN CHOWDHURY

Website Developer.

## PROFILE

Hello, my name is Irshaduddin Chowdhury. I am an enthusiastic and young web developer who is eager to work as a professional web developer. I am currently pursuing B.Tech. in Mechanical engineering. I have done a training on web development and through self-learning and different bootcamps and internships I have learnt all the skills I know. I am eager to learn a lot more by working under you.

I am student who wants to learn as many things as possible. I am a person with a positive attitude and I respect deadlines. I believe in the saying, "the beautiful thing about learning is that nobody can take it away from you" by B.B. King.
